Alcuni browser implementano già dei componenti in grado di svolgere egregiamente il servizio di traduzione immediata, come nel caso di BabelFish per Firefox, configurabile per i diversi idiomi.

In questa occasione vi presento i 10 traduttori presenti nel web più conosciuti, tra i quali potrete scegliere quello che maggiormente vi... calza a pennello!

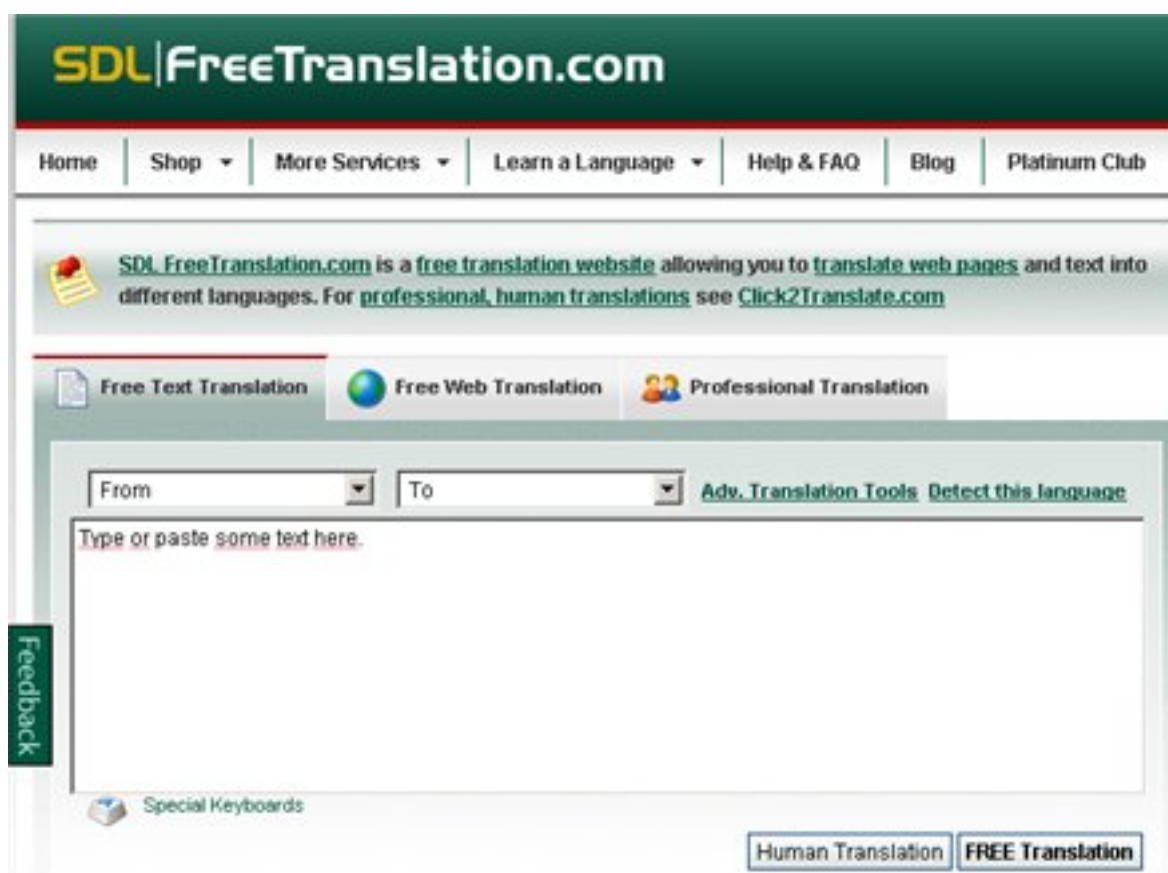

[Babylon](#)

The screenshot shows the Babylon translation website. At the top, there is a navigation bar with the Babylon logo (a globe with the text 'babylon translation @ a click') on the left, and links for 'Translation | Dictionary | Thesaurus | Tools' and 'Choose your language' on the right. Below the navigation bar, the main heading reads 'Online Translation Offering hundreds of dictionaries and translation in more than 800 languages'. A large blue banner features the text 'Babylon 8 World leading translation software' and two buttons: 'Buy Now!' and 'Free Download'. To the right of the banner, a list of features is displayed: 'Patented single mouse click activation', 'Translation in 75 languages', 'Supports all Windows applications', 'Full Web page translation', and 'Spell check'. Below the banner, the main translation interface is visible, consisting of two large empty text boxes on either side of a central control panel. The control panel includes a dropdown menu set to 'English', a 'To:' label with a bidirectional arrow icon, another dropdown menu set to 'Spanish', a green 'Translate >' button, and a blue 'Human Translation' button.

Completissimo e in grado di tradurre gerghi, termini tecnici e altre parole che i consueti servizi non includono nel proprio database..

[SDL FreeTranslation](#)

The screenshot shows the SDL FreeTranslation.com website. At the top, there is a dark green header with the logo "SDL FreeTranslation.com" in white and yellow. Below the header is a navigation menu with links: Home, Shop, More Services, Learn a Language, Help & FAQ, Blog, and Platinum Club. A banner below the menu states: "SDL FreeTranslation.com is a free translation website allowing you to translate web pages and text into different languages. For professional, human translations see Click2Translate.com". Below the banner are three tabs: "Free Text Translation", "Free Web Translation", and "Professional Translation". The "Free Text Translation" tab is active. The main interface features two dropdown menus for "From" and "To" languages, with links for "Adv. Translation Tools" and "Detect this language". A large text area below the dropdowns contains the placeholder text "Type or paste some text here.". On the left side, there is a vertical "Feedback" button. At the bottom left, there is a "Special Keyboards" icon. At the bottom right, there are two buttons: "Human Translation" and "FREE Translation".
